
Celtis australis

T11725 Celtis australis

Location

West Hawthorn Child Care Centre, 65 Church Street, HAWTHORN VIC 3122 - Property No T11725

Municipality

BOROONDARA CITY

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 16, 2008

Contribution to landscape
Outstanding example of species

Two prominent trees with well-rounded canopies. Their size, location and habit are their major feature and make a significant contribution to the landscape. Unfortunately, road widening and the construction of a path around the southern tree has caused a loss of vigour. Both trees have a well-established crown although they would greatly benefit from a management program.

Measurements: 17/02/1988
Northern tree
Spread (m): 13

Girth (m): 1.87
Height (m): 10.8
Estimated Age (yrs): 50
Condition: Good

Measurements: 15/02/2001
