
Quercus castaneifolia

T11767 Quercus castaneifolia

Location

Loch Catholic Church, South Gippsland Highway, LOCH VIC 3945 - Property No T11767

Municipality

SOUTH GIPPSLAND SHIRE

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 23, 2004

Location or context

The southern specimen, closest to road, is one of three examples of the species on the site. This tree is the largest and more wide-spreading in form making an important landscape contribution to the small wooden church building. Another larger example is known at Moss Vale Park, Leongatha
