State

Heritage Listing

Statement of Significance

Last updated on - June 16, 2008

Contribution to the landscape
Outstanding example of species
Aesthetic significance

Located on the roundabout at the intersection, there is no information on when the trees were planted or by whom. They may have been planted on the instructions of Walter Burley Griffin after the completion of Newman College. There are several Lemon-Scented Gums in the College grounds and it is known that he particularly liked these trees.

Measurements: 05/1982
Spread (m): 18
