Location

Melbourne General Cemetery, College Crescent, PARKVILLE VIC 3052 - Property No T11892

Municipality

MELBOURNE CITY

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 30, 2004

Contribution to the landscape

Rare or localised:

Outstanding example of its species.

A species of pine rare in cultivation in Victoria, this tree is an outstanding example. The long pendulous needles and its symmetrical shape make the tree particularly attractive. Other plantings occur in The Domain, Royal Botanic Gardens, White Hills Botanic Gardens and Cemetery, and Rutherglen Public Park. The Melbourne General Cemetery also contains many other trees of note.

Measurements: 09/1986
