Statement of Significance

Last updated on - June 16, 2008

Contribution to the landscape
Aesthetic significance

This magnificent avenue of Elms lining Royal Parade was planted just after 1900 by special tree planting and maintenance gangs. The avenue also contains 9 - *Ulmus x hollandica* which occur near the railway overpass (W.) and along Princess Park opposite Walker Street. A number of *Ulmus procera* have been reduced in size and several trees show signs of stress.

Measurements: 02/1984
