Statement of Significance

Last updated on - September 29, 2005

Contribution to the historic garden

Outstanding size

Outstanding example of species

A large and impressive example of this New Zealand native tree. Believed to have been planted between 1900-1905, probably after the Yarra River was straightened. The tree has a symmetrical canopy and is multi-stemmed from about 1.5 m.

Located near Gate H

Measurements: 18/09/1991
