
Ulmus glabra 'Camperdownii'

Location

33 Cliff Road,, SHOREHAM VIC 3916 - Property No T12079

Municipality

MORNINGTON PENINSULA SHIRE

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - October 25, 2006

Contribution to landscape
Particularly old
Aesthetic significance
Curious growth form

This is a good example of this species for the age of the tree. It has an unusual branch structure which twists and contorts. Originally this land was used for agriculture but in the 1920s the area began to be settled for seaside recreation. It is believed that this tree was planted between the main house and the cottage in the 1920s by Miss Puckle, the original owner.

Measurements:04/2004
Girth (m):2.4
Spread (m); E-W 9.4; N-S 10
Height (m): 6.3
Estimated Age (yrs): 80+
Condition: Good

Access: Restricted
Classified: 09/09/2004

Other Names Weeping Elm,

Hermes Number 71620

Property Number

Physical Conditions

Good
