History

Heritage Inventory History of Site: This is the site of the 1860s house built by Peter Hubbart, and probably related to the nearby quarry (H7721-0015) which was also on Hubbart's land. It is probable that the house, which was in ruins by the 1930s, was progressively destroyed by the removal of bricks and other building material over the years.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
