History

Heritage Inventory History of Site: This hotel does not appear on early maps and is not listed in any of the gazetteers consulted. It is mentioned in Maltby (1989), but with no dates. The bricks and the masonry suggest a date in the late nineteenth century. It is mentioned in the Mining Surveyor's Report of December 1864. It is possible that it operated during the 1860s to the 1880s when the mines in the near vicinity, such as the Central Company and the Cambrian Company, were active.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
