History

Heritage Inventory History of Site: Mudd's Reef appears on a mining map dated 2 May 1861. It is also shown on an 1870 map, but was not named. Mining probably occurred along this reef during the 1860s. The present owner of the land has stated that one mine was operating at this site as late as 1949.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
