Victorian Heritage Inventory

Interpretation of Site	Heritage Inventory Interpretation: An 1859 - 1862 railway construction camp and private railway siding. There was a gravel crusher and other structures. The dam was built as part of the camp. The Nissan hut is unrelated to original function of the site.
Hermes Number	8583
Property Number	

## History

Heritage Inventory History of Site: This was as construction camp built by Leslie & Ross, the subcontractors who constructed this section of the Melbourne - Mt Alexander and Murray Valley Railway between 1859 and 1860. There was a large workers camp in the vicinity. A private siding was built into the camp and a bluestone gravel crushing plant was also erected.
