## UNIDENTIFIED: Old Swan Island Beacon Wreck

---

### Location

Near the old Swan Island Beacon, west of Swan Point and east of the Countess of Hopetoun site.

### Victorian Heritage Register (VHR) Number

S1002

### Construction material

Wood

### Propulsion

Sail

### Cargo

black wine/brandy bottles

### Statement of significance

<p>This is the site of an unidentified timber vessel. The site contained numerous black glass wine/brandy style bottles. Its archaeological significance has not been assessed, however many of the bottles were removed in the 1960s.</p>
