Owner

Frederick Pattison

Master

Captain David McBeth

Cause of loss

Forced ashore in a gale

Passenger comments

Passenger number could have been as high as 11

Number of crew

4

VHR history

The Domain was an early colonial cutter built in Hobart, and was a regular trader to Port Albert. On a voyage there from Melbourne in 1846, the vessel was blown ashore in Waratah Bay by a gale, and there was only one survivor.
