2

Length/Breadth/Depth

252.10 Feet / 33.40 Feet / 14.90 Feet

Builder

London & Glasgow Engineering & Iron Ship Building Co. Ltd

Year of construction

1877

Built port

Govan, Glasgow

Built country

Scotland

Registration Number

7 of 1878

Registration Port

Melbourne

Date lost

07/02/1879

Departure

Melbourne

Owner

J McIlraith & Partners of Melbourne

Master

Captain McPetrie

Weather conditions

Dense fog

Cause of loss

Ran ashore in fog

VHR history

The iron steamer Kerangie ran ashore at Cape Everard in a dense fog and soon broke up. No lives were lost, but the master was severely criticised for travelling at high speed in the conditions. He lost certificate for six months.
