Cape Otway

Victorian Heritage Register (VHR) Number

S774

Date lost

1877

Length/Breadth/Depth

0.00 / 0.00 / 0.00

Date lost

1877

Statement of significance

<p>Although the timbers may not be from a shipwreck on Cape Otway eg; further west, they have archaeological significance as they are part of the Cape Otway and Apollo Bay wreck resource, and examination could allow an identification or association/ provenance for them.</p>

VHR history

Due to a lack of significant information this record was removed in May 1998. Reentered 15/1/2001 as it records a deposition event, and may be of significance when assessing further wreck reports or conducting surveys in the Cape Otway region. RA
 File could not be located, new file created 23/4/01 JF.
 Shipwreck number changed from 771 to 774 due to clash with Artefact Database. JF (8/5/01)

 This record was described as follows.
 Unidentified section of hull about 40 feet long washed ashore near Cape Otway. A section of deck was found near Apollo Bay and was reported in 1877. (ID 1)
