West of McHaffies Point, Western Port

Victorian Heritage Register (VHR) Number

S97

Date lost

1945

Construction material

Wood

Propulsion

Motor

Length/Breadth/Depth

0.00 / 0.00 / 0.00

Date lost

1945

VHR history

The BLUEBIRD was originally used for towing barges between San Remo and Newhaven on Phillip Island. The construction of a larger punt in the late 1920s made the BLUEBIRD redundant. According to Woodley, the vessel was converted into a fishing vessel prior to it being lost some time in 1945.
